Parish Council

to make a difference for us all.*

Police Report

Following concerns about opportunist attempts for burglary in Swepstone, can we encourage everyone to report **any** type of crime on 101.

Without data being collected correctly, we cannot ascertain a clear picture, and consequently our police partners cannot support us.

Community Safety — Volunteers Wanted

Great news to support our crime concerns. Our Community Safety Team are part of NWLDC, and offer a scheme to empower parishes to tackle crime.

The Community Safety Team can give the training, and crime prevention tools so we can use them to suit our individual needs., and they even restock the “tool box” that is provided. Included in the box are:

- Shed alarms and signs
- Window Alarms
- Attack Alarms
- UV/Marker Pens
- Wraps
- Cremark
- Cremark IT
- Purse Belts

To help us to take crime seriously in our parish, we ask for volunteers to support us. If this is something you are interested in, please e-mail the clerk.
