

# Swepstone Parish Council

April 2018  
Issue 4

*Elected by you, and working with you  
to make a difference for us all.*

## Police Report

There had been no reported crimes in the last 30 days in the Parish. We are working more closely with our local police team to understand how incidents are reported, and to support our traffic calming initiatives.

**THANK YOU!!** A big thank you to everyone who helped at the Village Tidy Up Day on the 15th April.

Thank you to Austin and Ted for picking up all the Wraggs Yard rubbish!!

Disappointingly though, the council feel it necessary to raise the discovery of deliberate vandalism to the beautiful daffodils in Swepstone, and also a specific hedge in the village containing plastic bags of dog waste. There are plenty of waste bins located that must be used, look out for a district wide public order regarding dog waste coming out soon.

The parish council have been asked about the efficiency of NWLDC's plastic recycling. (If you have any other queries or comments let us know.)

## WWI COMMEMORATION

### Your Councillors

Chairman: Chris Robinson

Vice Chair: Jane Millward

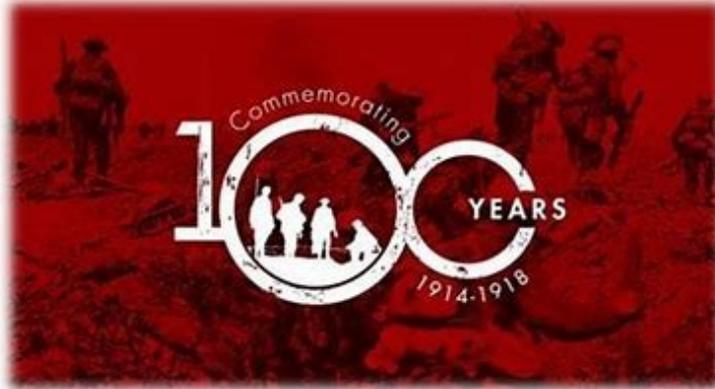

Councillor: Andy Milner

Councillor: Nick Makin

Councillor: Brenda Sumner

Supported by Clerk:  
Annie Callingham

NWLDC are funding Parishes to celebrate 100 years since the end of the First World War. We would like to take this opportunity to purchase two brick planters, complete with plaques of all fallen soldiers. The parish council will check church records for names, however, if anyone knows of any fallen soldiers from any conflict, that lived in the parish, please contact the clerk.

### WORLD RECORD ATTEMPT 1st September

We invite support from our community groups to help make this happen.

We already have support from The Wraggs Yard Committee, Parish Councillors and the PFA.

Are you a member of the Playgroup, WI, The Veg Society, the Church, The Belper, and happy to help?

Please e-mail your interest to the clerk.

### NEWTON BURGOLAND DEFIBRILLATOR

Newton Burgoland's defibrillator has now been installed onto the side of the school.

A big thank you to everyone who has helped to make this happen.

The code is the same for both villages, and will be available in this newsletter and on the notice board outside of the school.

Please look out for the training dates coming out soon.
