

## 1 - North West Leicestershire Local Plan Review: Development Strategy Options and Policy Options

North West Leicestershire District Council is undertaking a Local Plan Review. The review will update the adopted Local Plan 2017 (as amended by the Partial Review) and will cover the period to 2039.

Public consultation on the Local Plan Review **Development Strategy Options and Policy Options** (Regulation 18) starts on Monday 17 January 2022. The consultation document sets out potential options for a number of key issues that the Local Plan Review must address, including development strategy options for both housing and employment, as well as more specific policy topics.

You can view the consultation document on our dedicated [webpage](#) and we are also sending your council a paper copy of the document in the post.

A paper copy of the consultation document is also available to view in the following places:

- at the libraries in Coalville, Ashby de la Zouch, Ibstock, Kegworth, Measham and Castle Donington during their normal opening hours
- at the council offices at Whitwick Road, Coalville LE67 3FJ.

We are interested to hear your views. The document contains a number of consultation questions and to help we have produced a dedicated response form which is available on the [website](#). You do not need to answer each question; just the ones which are relevant to you. You can send us your response:

- using the consultation portal on the council's website [consultation.nwleics.gov.uk/planning/local-plan-consultationjan2022/](https://consultation.nwleics.gov.uk/planning/local-plan-consultationjan2022/)
- by email to [planning.policy@nwleicestershire.gov.uk](mailto:planning.policy@nwleicestershire.gov.uk)
- by post to the Planning Policy & Land Charges Team, North West Leicestershire District Council, Council Offices, Whitwick Road, Coalville LE67 3FJ

Remember, we must receive your comments by the end of **Monday 28 February 2022**.
